Opportunities to Serve

Nursery Help

Our nursery is busting at the seams! We are in desperate need of at least 6 more helpers. This is such a great problem to have! Who qualifies? Anyone over the age of 16 who can read a story, sit with little ones as they colour, pray with them, maybe sing a song. BONUS! No diaper changing needed! We leave that job up to the parents! Yay! For more information please speak to either Colleen Ernewein or Cynthia Wells.

Family Prayer Corner

Weekly Prayer Bulletins are available on the table in the foyer.

This week pray for:

McClinchey – Ron & Brenda

McNaughton – Elaine

Millar – Gord & Anita, Catherine, Bobby

Missions and Prayer

Home Assignment

Tim and Kallie Hutton, CBM Field Staff based in Bolivia, have arrived in Canada for their first home assignment. They will spend most of their time in western Canada, visiting churches and making presentations about CBM's work in Bolivia. Please keep the Huttons in prayer, as they will spend a lot of their time on the road travelling between provinces. Please pray for their safety, and the endurance and strength to keep up with their full schedule. As they meet with their supporters and make plans for the future, pray for God's guidance and that the right connections and partnerships would be established. We also pray that congregants would be encouraged as Tim and Kallie share their personal experiences and stories about the work and ministry in Bolivia. The Huttons will be in Canada until September 30.

Field Staff in Bolivia

CBM Field Staff Bill and Janice Dyck recently celebrated their first year of serving in Bolivia. "A year ago, we were in a situation of stepping out and seeing what God would do," the Dycks shared in an update. "There were a lot of uncertainties." Today, the Dycks are happy to report that their prayers have been answered along the way, and that God continues to provide for them as they serve in Bolivia. Here are some praise and prayer points from the Dycks:

- Praise for a great first year! Answered prayer regarding health, support, language learning, getting off to a good start with colleagues and national leaders, getting started in ministries, well-being of family in Canada ... God is good!
- Pray for Bill as he begins teaching at the seminary, and as he facilitates the forming and leading of pastoral support groups on a national level and in the strategic cities of La Paz, Santa Cruz, Cochabamba and Oruro.
- Pray for Janice as she settles in to teaching her music students and all that entails – language, patience, creativity.

Field Staff in Africa

Aaron and Erica Kenny serve as CBM's Africa Team Leaders and are based in Kenya. In a recent update, the Kennys shared the following prayer requests:

* We continue to pray for peace in South Sudan. The recently announced plan of President Salva Kiir to extend his term by another three years has been branded as "illegal" and "anti-peace" by the opposition leader, Riek Machar. We pray for humility and wisdom for these leaders.

* We are thankful for our colleagues Wendy and Ken Derksen, who will be completing their ministry as global field staff in Rwanda this month. Please join us in praying for the Derksens' return to Canada and for the Lord's direction as they transition back into Canadian life.
